Ghosts in the Tea Room?

That's right. we had a team from "Sonoma Spirit" come by and conducted an investigation and found evidence that we do indeed have some unearthly inhabitants sharing the tea room with us. It's difficult to see, but there is an image of a lady with a flowing skirt sitting in a chair in the lower left hands corner. Ask Jane about all of the club's findings when you come in for tea!

Thank you for your continuing interest and patronage for the English Garden Tea Rooms. We hope to see you all in the New Year!
